

Practice sheet for CNF Level 4

Please practise at home.

$10 + 10 =$

$\text{Double } 9 =$

$1 + 1 =$

$\text{Double } 4 =$

$5 + 5 =$

$\text{Double } 0 =$

$2 + 2 =$

$\text{Double } 3 =$

$9 + 9 =$

$\text{Double } 8 =$

$3 + 3 =$

$\text{Double } 2 =$

$7 + 7 =$

$\text{Double } 5 =$

$0 + 0 =$

$\text{Double } 10 =$

$6 + 6 =$

$\text{Double } 1 =$

$8 + 8 =$

$\text{Double } 6 =$

$4 + 4 =$

$\text{Double } 7 =$

*In the check children will have to do 9 of these in 2 minutes.
Children will need to be able to read the word "Double"
independently and should not rely on fingers to calculate.
The facts should be known off by heart.*
