

# Widmer End Community Combined School and Pre-School

---

7th January 2025

Dear parents and carers

This term, Year 3 children are lucky enough to take part in Forest Schools, with activities run by Mrs Sadler. The sessions will take place on Tuesday afternoons, starting on Tuesday 14th January for the whole of the Spring Term. The children will need to come into school wearing their PE kit but with their Forest School waterproofs and wellies in a named bag.

Please see the school website for details including what the children will be doing, the handbook and the kit that is required for every session. Please read these carefully, familiarising yourself and your children with the routines and making sure the **full kit is sent in every week**, as it will take place in **all weather conditions**.

If you have any questions, please do not hesitate to ask.

Many thanks  
Ms Atkins
