

Widmer End Community Combined School and Pre-School

19th March 2025

Dear parents & carers,

YEAR 1 WOOLLEY FIRS TRIP – 23rd May 2025

We have arranged an exciting School Trip to Woolley Firs Environmental & Education Centre, to take part in the 'Fancy Plants & Tremendous Trees' programme, in conjunction with our Science Curriculum. Research shows that well-planned out-of-classroom activities not only enhance pupils' learning, but can also re-engage those who are hard to motivate, contributing significantly to raising standards and improving pupils' personal, social and emotional development. We will be leaving at **9:15am** and aim to be back by **3:15pm**.

We will need some parent/grandparent/carers volunteers to accompany the class for the day. If you are available and would like to attend, please email the school office.

Please may your child wear their uniform, including a lightweight coat and jumper/cardigan and bring the following in a named rucksack:

- A packed lunch (no nuts or glass)
- A healthy snack (no nuts)
- A water bottle

The required contribution is **£31** per child. Please confirm attendance and permission via ParentPay, which accepts debit and credit cards as well as bank transfers. The deadline for this is the 15th April. Please bear in mind that we must cover costs to ensure all children can attend the trip, or it will have to be cancelled. If the cost of the trip would cause you financial difficulty please contact the school office. The school's policy on charging for trips and enrichment activities can be viewed [HERE](#).

If you wish your child to take, or be given, any non-prescription medicines during the trip, eg travel sickness pills, you must complete a Form B, available on the school website or from the school office.

Best wishes,

Miss G Davis

Year 1 Class Teacher
