

Widmer End Community Combined School and Pre-School

13th May 2022

Dear Parents,

EDUCATIONAL VISIT - at school - with First Aid Friends on Tuesday 12th July 2022

Each class will have an hour's education in first aid, please see below some more information.

“With partner work exercises, team-based activities, and even some exercise - our First-aid workshops focus on helping the children understand key first responder techniques and practical applications of using them, along with tips and tricks that will be useful in their everyday lives. These are all taught in fun and memorable ways that will create a long-lasting impact on their development.

Through a range of fun and engaging challenges, we engage the whole class in a series of individual, partner and group tasks which include:

- What is First Aid
- Breathing
- Pulse
- Emergency Scenarios
- Ringing 999
- Recovery Positions

Each session is adapted to the respective age-group to ensure all the children get the most out of our visit. All students will finish the session knowing what first-aid and how it works, with an understanding of when certain practices should be applied in various different scenarios. We have saved the pen and paper learning for the classroom and focused on immersive, exciting activities to immerse the class in bringing the world of First Response to life for them.”

We are asking for a voluntary donation of £4 per child.

You may pay with a debit or credit card or bank transfer via Parentpay. If you are not using Parentpay please complete the slip below and return it, with the money, to school as soon as possible. If such a contribution would cause you difficulties please contact Mrs Hillier.
