

Non-fiction November is here!

The theme this year is: Communication!

I have selected 4 challenges for our Widmer End children to work on during the month of November.

Challenge 1 - Teach a teacher

Teach your teacher a fact you have read that they may not already know. Think you can do it? Ask your teacher for a slip, complete it and then hand it to your teacher. You could find yourself mentioned in the school newsletter!

Challenge 2 - Take as many non-fiction book quizzes as you can

After you have finished reading your latest factual find, take an AR book quiz and see what it does to your reading score, sit back and feel mighty!

Challenge 3 - Non-fiction bingo

Important! For this challenge, the definition of "read" can be:

- Reading a book
- Looking at a book with a family member or a friend
- Having a book read to you
- Looking at the pictures and captions

We know non-fiction books can be long, so you don't have to read the whole book! Download the Bingo sheet by clicking the link below! Good luck!

Super Challenge 4 - Write and illustrate an "Interview with..."

Have YOU ever wondered what it might be like to talk to an animal you are fascinated about or chat with a famous person from the past?

To coincide with NNFN's theme of Communication, The Federation of Children's Book Groups, has launched a competition inspired by Andy Seed's brilliantly funny series 'Interview with...' published by Welbeck Children's Books.

The competition is open to 5 - 12-year-olds living in the UK. They are inviting YOU to choose either an animal or historical character and create an illustrated interview with them in a Q & A format, to be presented on one side of either A4 or A3.

Your name, age, and school should be clearly printed on the reverse side of your entry, plus an adult contact name and email address.

Your entry should be submitted to NNFN, 3 Morlais, Emmer Green, Reading, RG4 8PQ or nnfn@fcbg.org.uk by Monday 5th December 2022. They will be judged on their originality, creativity and presentation, according to age (5-7, 8-10, 11-12).

You can find more information here:
