

Dear families of Widmer End School,  
I hope you have all had a great summer and are settling back in to school life.  
I am pleased to announce we are opening up more lesson spaces at school!  
Please have a read below for some of the lessons and groups we are offering.

**Individual lessons - YR-6 (20 mins long)**

We have spaces opening up for guitar, drums, ukulele, woodwind and singing.  
1-1 lessons are the best for students who want to really get into their instrument and progress faster with sole focus on their learning.

**Guitar and Ukulele groups - Y2 up to Y6 (30 mins long)**

These will be groups of no bigger than 5 but focusing this time on Guitar and Ukulele! You don't need any experience to join, I will do my best to group people who are beginners together so we can all move towards the same goal. There will be lots of songs, learning to read music, games and group activities.

The cost for each group session is £10 per child, the cost for each 1-1 lesson is £15 and we invoice for each term in advance.  
If you would like more info and want to sign up please contact me on the details below.

I look forward to hearing from lots of you soon!  
Ash
