Modern Foreign Languages (MFL) Policy

1. Vision & Rationale

At Widmer End, we teach French as our chosen Modern Foreign Language in Key Stage 2.

We believe that learning French develops children's communication skills, cultural awareness and curiosity about the wider world.

Our approach, supported by the Language Angels scheme of work, ensures progression, accessibility, and enjoyment.

Through MFL, we also bring our school values to life:

- Unity – learning together through songs, games and group work.
- Trust – building confidence as pupils take risks with speaking French.
- Courage – encouraging children to try new words and phrases, even if they are unsure.
- Kindness – celebrating mistakes as part of learning and supporting each other.
- Curiosity – inspiring interest in French language, stories, and culture.
- Respect – valuing cultural diversity and languages within and beyond our school.

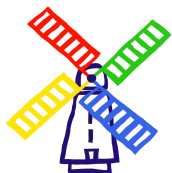

2. Aims of French at Widmer End

Using Language Angels, we aim for all pupils to:

- Speak with increasing confidence in French, developing accurate pronunciation and intonation.
- Listen and respond to a variety of French speakers, songs and stories.
- Read and write simple words, phrases and sentences in French.
- Develop cultural awareness by exploring French traditions, celebrations and everyday life.
- Show curiosity and respect for languages spoken in our school community and the wider world.
- Build solid foundations for further language study at secondary school.

3. Curriculum Design

- French is introduced in Year 3 and taught weekly through Language Angels, ensuring progression and coverage of the National Curriculum.
- Each year group builds systematically on prior knowledge, moving from simple vocabulary and phrases to more complex grammar and sentence structures.
- Units cover the four key skills: listening, speaking, reading and writing, with an emphasis on speaking.
- Lessons include songs, games, role play, interactive whiteboard activities, stories and cultural exploration.
