

Widmer End Combined School | Sports Premium | Strategy 2024-25

Key Achievements	Areas for further improvement and baseline evidence of need
<ul style="list-style-type: none"> ● Successfully moved to Cedar Park swimming pool for swimming lessons, saving money on coaches to and from Wycombe Leisure Centre <ul style="list-style-type: none"> ○ Feedback on new instructors and general swimming experience is much more positive and every week is having a positive effect on the children's abilities ○ We have seen a very positive impact in the Y6 swimming data already ● In depth long term plan in place to support Holmer Green Sports festivals, to ensure children have a set of skills before the competitions ● School continues to offer a wide range of sports clubs, both paid and voluntary run. Pupils are encouraged to take part in extracurricular activities such as running club, dance, football, netball and gymnastics. Other clubs involving physical activity are run, such as gardening and eco-warriors - this offers outdoor activities for those who are not as keen on conventional sports. ● HG Sports partnership school competitions are successfully being run, giving the children the opportunity to compete locally. KS2 children are walking to these events, to promote active and healthy lifestyles. ● Contract with new club provider First Touch Sports going very well - they are delivering PE lessons, lunch time clubs and an after school football club. Feedback is very positive. ● Playground baskets have been resourced for every year group to allow them to take part in more active lunchtime games led by themselves and their friendship groups. This has also allowed them to take responsibility of their own boxes and the equipment within them. ● New football and netball kit purchased 	<ul style="list-style-type: none"> ● Lunchtime supervisors and play leaders continue to be responsible for organising set activities outside each day offering more opportunities and a wider range of activities for pupils, where the new lunchtime provider is not in. Pupils take part in organised lunch time activities to improve physical health. ● To provide a wider range of sports that are not within the PE curriculum to ensure we are providing clubs for different interests e.g. fencing through taster days.

Total amount carried over from 2023/24	£-57.53
Total amount allocated for 2024/25	£17,820 - 57.53 = £17,762.47
How much (if any) do you intend to carry over from the total fund into 2025/26?	£1,086.80

Total amount allocated for 2025/26	£17,810
Total amount of funding for 2025/26 to be spent and reported on by 31 st July 2026	£18,896.80

National Curriculum requirements for swimming and water safety:

	22/23	23/24	24/25
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	68%	63%	70% (+7% who can swim 20m and are nearly on target)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	79%	75%	90%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	82%	75%	83%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No	No	No

2024-25 Strategy

2024-25	£17,762.47 (budgeted)	Planned spend		
Key Indicator 1	The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school			% of total allocation 26%
School focus with clarity on intended impact on pupils	Actions to achieve	Funding allocated	Evidence and impact	Sustainability and suggested next steps
KS2 swimming lessons	By the end of KS2, children are able to swim confidently and in line with the national requirements.	£2750	Children in Y5 and Y6 are working alongside qualified coaches who are having a very positive effect on our numbers of children who can swim efficiently and reach KS2 goals at the end of Y6.	Continue with Y5 and 6 next academic year in Autumn and Spring term.
Equipment baskets for the playground top up	Children engage in a greater amount of focused physical activity during lunch times	£266.46	Children have access to equipment at lunch times and break times and have responsibility for their own class' equipment.	Look at how often we agree to top these up as the equipment gets lost/damaged.

Netball kit		£1159.50	To promote competitive and friendly sport amongst the children and encourage excitement around the sports.	Ensure we have a system in place that allows us to see who has kit and who still needs to return etc (sign in/out sheet?) so that it is looked after and we do not lose any new kit.
Football kit		£521.21	As above. Old football kit was very old, some sizes were unavailable for children, and the sponsors were incorrect.	As above
Key Indicator 2	Increased confidence, knowledge and skills of all staff and children in the teaching and learning of PE and sport			% of total allocation 29%
School focus with clarity on intended impact on pupils	Actions to achieve	Funding allocated	Evidence and impact	Sustainability and suggested next steps
Teachers ability to deliver high level PE that is engaging and motivating for all pupils. They will have a clear knowledge of the progression of skills involved in each sport and the whole child objectives within lessons too - to be shared with children.	Purchase new PE scheme to allow teachers to feel confident in the teaching of PE. Teachers to share skills, objectives and progression with the children.	£526.50	Teachers have given positive feedback in response to the new PE scheme (Get Set 4 PE) and are able to see clearly objectives and progression throughout each sport.	Survey on staff CPD to find out where teachers still lack confidence. CPD on use of assessment tool within Get Set 4 PE.
First Touch Sports - lunchtime, PPA cover and football club once weekly		38 weeks x £120 = £4560	Children have access to a wide range of sports taught by qualified coaches. Teachers have opportunities for CPD to observe these lessons. Football club is run by experienced coaches to provide keen footballers with lots of experience and further opportunities to take part in friendly and competitive matches.	

Key Indicator 3		Broader experience of a range of sports and activities offered to pupils			% of total allocation	22%
School focus with clarity on intended impact on pupils	Actions to achieve	Funding allocated	Evidence and impact		Sustainability and suggested next steps	
Balanceability bike purchases		£3942	This has allowed us to save spending on Balanceability lessons year on year and will now be a one off cost to allow us to teach the lessons effectively in house. 80% children in Reception were riding pedal bikes by the end of the lessons in December.		BW will continue to teach Balanceability and Bikeability yearly to the Reception children using her training and the resources purchased. This can be taught in January 2026 for the new Rec cohort.	
Key Indicator 4		Increased participation in competitive sport			% of total allocation	17%
School focus with clarity on intended impact on pupils	Actions to achieve	Funding allocated	Evidence and impact		Sustainability and suggested next steps	
Children learn healthy competition and are able to pitch their skills against peers in a supportive atmosphere.	Sign up to the Holmer Green Sports Partnership.	£2400	Children have the chance to practise skills before their competition during PE lessons. Children are exposed to healthy competition and gain crucial skills in sportsmanship. CPD (2 mornings) is included in this price with Rebecca Duggan which can go towards improving our PE curriculum/PE within our school and staff confidence in an area of our choice.		Go ahead again next year. Ensure curriculum plan is based around the upcoming events so children have some basic skills/awareness of the sport.	
Travel for HG Sports Partnership	Ensure that EYFS and KS1 can get to the events. KS2 walk to HGSS.	£550	As above		Continue to cover with Sports Premium due to the coaches only being needed for KS1 and Reception.
